Commissioner Hoefling recommended a second vote via ballot to show a unanimous decision among the Board of Commissioners. That second ballot vote was for Bob Keasey by unanimous vote 8/0.

County Commissioner names are on each voted ballot to identify how each Commissioner voted so the public can poll the votes if requested.

COMMISSIONER INTERVIEW QUESTIONS

Tell us about yourself

1. Why do you want to be a County Commissioner?
2. What personal qualities do you have that would make you an asset to the board?
3. What do you feel is the key responsibility of a County Commissioner?
4. In addition to Board of Commissioners meetings, how flexible is your schedule and would you be committed to attend other meetings that would be held in the daytime and evenings such as Township/City and Committee meetings?
5. How much time are you willing to spend being involved in county affairs considering the pay is only $12,000 per year.
6. What problems do you see with Clare County and how do you feel you could fix them?
7. If you were appointed to the Board of Commissioners what would be some of your individual/group goals?
8. Do you look at yourself as a policy maker or peacekeeper or both?
9. Oftentimes, the position will hear complaints from citizens on a particular service or event or certain issues that come before the County Board of Commissioners and become quite heated. How do you deal with pressure and/or stress? Give a specific example.
10. In past years, the County has had to reduce department expenditures including position elimination or staff reduction from full time to part time. How would you go about deciding where to make cuts considering that most of our budget goes to employee salaries?
11. If you are appointed, do you plan to run in the upcoming election?
12. Are there any questions you have of us?

As a Com. don't always agree - discuss before making a decision. Sometimes not unanimous. Be united work that way
