Lincoln Township Planning Commission

Phil Blaisdell – Chair ***Jim Ostrowski*** – Vice-Chair
Gary Szczepanski – Secretary ***Tami McCaslin*** – ZBA ex Officio
Mike Tobin – Township Board ex Officio

Dick Hassberger – Zoning Administrator ***Deb Trim –*** Ordinance Enforcement
Deb Sherrod – Recording Secretary

Public Hearing:
Chair Blaisdell opened the hearing at 7:00 pm, and explained the purpose of the hearing and the procedure to be followed. He also reviewed the process up to this point.

1. Lincoln Township Master Plan: Chair Blaisdell opened the hearing to public comments.

McCaslin had a question about the environmental contamination sites concerning whether the areas had been reviewed recently. Adam Young, a representative from Wade Trim, said that they will check with EGLE to find out the most current status.

Her next question was about the property owned by the gas company, specifically the official designation of Hamlin Field. Adam from Wade Trim replied that it should remain labeled as recreation even though the gas company owns it with a lease by the township.

Her last question concerned the source of the pictures in the master plan. Adam replied that the Wade Trim team members took them when they were in the area. McCaslin wanted to have some more lake photos included. McCaslin will contact Dale Majewski and others to get some more pictures which better represent the lakes in the township.

Two people from Silver Lake asked about how the land use plan deals with drains into the lake. Chair Blaisdell tabled further discussion for new business.

Chair Blaisdell then closed the Public Hearing.

Regular Meeting – Tuesday, March 12, 2024. Called to order at 7:14 pm by Chair Blaisdell.

Public Comment: None

Old Business:
1. Master Plan Progress: Next steps based on Public Comments received over the last sixty days. Adam addressed the commission explaining what happens next in the adoption process. He reviewed the changes presented tonight. He referred to the resolution provided which will contain a mention of the two revisions from tonight's hearing. Once the resolution is adopted, Wade Trim will provide materials for the next steps.

Tobin asked about making amendments to the Master Plan. Discussion followed. It was decided to go ahead with the adoption of the plan and then send the final product to the township board.

Chair Blaisdell then read the resolution to adopt the Master Plan as follows:

Resolution of Adoption
Lincoln Township Master Plan
Lincoln Township Planning Commission, Clare County, Michigan

WHEREAS, Lincoln Township has established a Planning Commission under the Planning Enabling Act, Public Act 33 of 2008, as amended; and,

WHEREAS, The Lincoln Township Planning Commission is required by Section 31 of said Act to prepare and adopt a master plan as a guide for the physical development of the township; and,

WHEREAS, A proposed master plan was prepared and was approved for distribution by the Township Board of Lincoln Township and was subsequently submitted for review in accordance with Section 41 of said Act; and,

WHEREAS, The plan was presented to the public at a hearing on March 12, 2024, before the Planning Commission, with notice of the hearing being provided in accordance with Section 43 of said Act; and,

WHEREAS, The Township Planning Commission has determined that the plan is appropriate for the future development of the township;

NOW THEREFORE BE IT RESOLVED THAT, The Lincoln Township Planning Commission does hereby adopt the Lincoln Township Master Plan.

Ostrowski made the motion to adopt the resolution; Tobin seconded.

Roll Call vote: Blaisdell: Yes; McCaslin: Yes; Ostrowski: Yes; Tobin: Yes; motion passed with all in favor, 4 Yes; 0 No.

Chair Blaisdell thanked Adam and Wade Trim for all their work and for making the process easy for the commission. Tobin also made a positive comment.

New Business:

1. Discussion to update Lincoln Township Zoning Map: Chair Blaisdell explained about the next steps in getting the zoning maps updated. There will need to be some careful review of recent changes and other items to make sure the new maps are accurate. Blaisdell and Tobin will check with Clerk Majewski to get a large current map printed for review purposes.

2. Chair Blaisdell reopened the discussion of the drainage ditch issue at Silver Lake in order to help the concerned parties plan their next steps in determining who to contact. The problem is that the road commission denies it is in their authority and the township doesn't deal with drains. Tobin will get in touch with the drain commissioner to find out more. ZA Hassberger found it on the original plat map showing drain easement of 15 feet. More discussion followed trying to find out who would have answers and can authorize the work on cleaning the drain.

3. ZA Hassberger handed out information concerning the construction of a cellular tower which brings up some questions about Zoning Ordinance 44 as to the type of tower that is allowed under the ordinance. He is asking for direction from the Planning Commission and the ZBA. The Planning Commission will do research to see how to resolve this issue. Chair Blaisdell will have this on the agenda for April.

Announcements: Next Regular Meeting will be Tuesday, April 9, 2024, at 7:00 pm.

Motion by McCaslin to adjourn the meeting; seconded by Tobin. Motion passed with all in favor. Meeting adjourned at 8:04 p.m.

Respectfully Submitted,

Deb Sherrod, Recording Secretary
