Old Business:

1. Continuance of the R2-A Discussion:
Chair Bridges made a statement of clarification concerning the motion made about the discussion of R2-A. The motion in July tabled the discussion of the viability of R2-A for no longer than 60 days. Therefore the topic is on the agenda for tonight's rescheduled August meeting.

Bridges made a motion to table the discussion about R2-A until the September meeting; Blaisdell seconded. Motion passed.

2. Continued Master Plan Review: Clerk Majewski is waiting for responses from contacts she has made for hiring someone to work on this project.

3. Discussion of Pending Approved Ordinance Matters Regarding Recreation: Chair removed this item from the agenda.

4. Zoom meetings for the Planning Commission: Bridges explained that there is no requirement for offering a Zoom meeting component to in-person meetings. Discussion followed. A suggestion was made that there be a dedicated laptop to make this happen.

New Business: Bridges made a motion to accept the file distributed by ZA Hassberger for the Public Hearing on rezoning which is scheduled for the September 13 meeting. McCaslin seconded. Motion passed.

Announcements: Next Regular Meeting will be Tuesday, September 13, at 7:00 pm.

Respectfully Submitted,
