Zoning Administrator's Report: See Attachment #1
No questions or comments.

Building Inspector's Report: See Attachment #3
There was one comment and one question. There was also a request made that the Ordinance Enforcement Officer would include the specific ordinance that is being addressed.

Ordinance Enforcement Report: See Attachment #2
Several comments were made.

Public Comment: Several comments were made.

Old Business:
1. Continued Master Plan review: Chair Bridges explained how much the township has changed since the Master Plan was last updated about 20 years ago. Blaisdell has done some research and Tobin and Bridges have approached Clerk Majewski concerning getting some professional help with the current update. Blaisdell stated that he could go into the latest census data and compare it to the two previous censuses to see how the township population has evolved. He has volunteered to do this comparison and bring the results back to the commission.

Bridges stated that this will be helpful to project our goals and help the commission be ready to work with a professional after November. Therefore, this item will be tabled until the November meeting.

2. Discussion of pending approved ordinance matters concerning the past meeting's discussion on the status of the R-2A zoning designation. Bridges stated that the definitions need to be clarified with the help of the township attorney. And therefore, she proposed tabling this matter until the next meeting in August.

She asked that White Birch residents would compile their opinions on the status of R-2A zoning.

Blaisdell read a list of comments and questions that he has received over the past several weeks concerning the two designations of R-2 and R-2A.

McCaslin made a motion that the discussion about the R-2/R-2A be tabled until the residents of White Birch have had a chance to compile valid facts and information concerning the benefits of keeping R-2A, and an opinion from the township attorney has been received. This period shall be no longer than 60 days. Szczepanski seconded. Motion carried with all in favor.

New Business:
1. Bridges proposed that the August meeting be cancelled since the two major items have been tabled until at least September and November. Discussion followed. The majority of the commission supported this~~. [NOTE: Several days after the meeting was adjourned, it became apparent that the August meeting needed to be reinstated, so the next meeting will be August 9.]~~

Announcements: Next Regular Meeting will be Tuesday, September 13, at 7:00 pm.

Motion by McCaslin to adjourn the meeting; seconded by Blaisdell. Motion passed with all in favor. Meeting adjourned at 8:08 p.m.

Respectfully Submitted,

Gary Szczepanski, Secretary
