Old Business:
1. Continue Master Plan Review: Work is tabled to allow new member Phil Blaisdell to get up to date. Continue work at the July 12 meeting.

New Business: R2A Designation: McCaslin went through the ordinance and found 17 instances/mentions of R2A. McCaslin feels this designation is no longer needed due to changes in the ordinance which removes the need for it. This refers to the amount of time allowed to keep a camper on a lot. Blaisdell asked for clarification, if this action would remove confusion. McCaslin and Bridges confirmed.

McCaslin stated that there will need to be clarification on what steps need to be taken to go forward with removing the R2A zoning designation. The township attorney will be consulted concerning the proper action to take.

McCaslin made a motion that the planning commission begin evaluating if it is feasible to recommend to the township board to remove the R2A designation from the ordinance and from the zoning map. Blaisdell seconded. Motion passed with all in favor.

Announcements: Next Regular Meeting will be Tuesday, July 12, at 7:00 pm.

Motion by McCaslin to adjourn the meeting; seconded by Tobin. Motion passed with all in favor. Meeting adjourned at 7:55 p.m.

Respectfully Submitted,

Gary Szczepanski, Secretary
