Old Business:
1. Update Lincoln Township Zoning Map: Members each received copies of the current map and a copy of the new, corrected map to examine the changes. Chair Blaisdell asked everyone to look closely for any discrepancies or errors and bring them to the next meeting.

2. Update to the Lincoln Township Recreational Master Plan: Tobin handed out copies of the current recreational plan for review. Chair Blaisdell asked everyone to look it over and make notes on what changes they think need to be made. McCaslin suggested that at the next meeting, each member take a section to work on in more detail.

3. Amendment to Ordinance 18.27: This concerns the type of wireless communication tower being allowed under the ordinance. According to ZA Hassberger, there is an ambiguity in the language. ZA Hassberger has proposed two versions of an amendment: one to allow a lattice type tower and the other to explicitly prohibit the lattice type tower. The new language would be inserted in Section 18.27, E. 3. Tower Construction, item a. Discussion followed. ZA Hassberger thinks that the ordinance needs to be changed to allow lattice towers in order to prevent problems in the future. McCaslin, Ostrowski, and Blaisdell feel that the ordinance should not be changed until there is a definite need to do so as in an application being filed. The Planning Commission discussed the issue and decided not to take action to amend the ordinance at this time.

New Business:
None

Announcements: Next Regular Meeting will be Tuesday, June, 11, 2024, at 7:00 pm.

Motion by McCaslin to adjourn the meeting; seconded by Tobin. Motion passed with all in favor. Meeting adjourned at 8:00 p.m.

Respectfully Submitted,

Gary Szczepanski, Secretary
