Old Business:
1. Discussion of new ordinance for Hazardous Materials Spill Cost Recovery: ZA Hassberger completed the template with township specific information to make it ready for adoption. Tabled until December 12 meeting.

New Business:
1. Special Use Permit request by Stuart Cline to use the former bank building as a recreational equipment rental (kayaks, canoes, boats, side by sides, golf carts, etc.). He would also include a boat shop to provide services, repairs, and products that are otherwise only available elsewhere in the county.

McCaslin had questions about locations for storage and other usage. Her other concern was about power washing to avoid the spread of invasive species between lakes.

There will be a public hearing on January 9, 2024, to address the description of this type of business as it is not included in the zoning. ZA Hassberger will provide a set of conditions for the business.

Announcements: Next Regular Meeting will be Tuesday, December 12, at 7:00 pm.

Motion by McCaslin to adjourn the meeting; seconded by Ostrowski. Motion passed with all in favor. Meeting adjourned at 8:33 p.m.

Respectfully Submitted,

Gary Szczepanski, Secretary
